Thai Reflexiology

Foot and leg massage with stimulation of the arch of the foot with a massage pen. Heavy legs are perfectly relieved.

Californian massage

The ultimate comforting relaxation massage, thanks to fluid, continuous movements. Gentle and enveloping, it soothes mind and body.

Swedish massage

A body massage that has a relaxing, draining and strengthening effect. It provides deep muscle relaxation and optimal recovery of the body.

Back massage

Very relaxing and loosening massage with deep and slow massage strokes. Ideal for releasing muscle tension.

Schirootchampi

Traditional Indian oil massage of the shoulders, neck and head. For a complete letting go.

Balinese massage

Full-body oil massage that has a dynamising and very draining effect. Perfect for getting back into the swing of things!

Abhyanga

Massage of the whole body with heated oil. An Ayurvedic energy balancing of the body.

Our brochure gives you an overview of our massage offer. You are not obliged to decide on a type of massage in advance.

Our masseuse will be happy to adjust to your wishes on the same day.
